The Best Of Home Audio

Woburn III has an even wider soundstage than its predecessor and fills any space with immersive, home-shaking Marshall signature sound. Woburn III has been re-engineered with a new three-way driver system, which delivers more controlled, lower-frequency bass and greater clarity in the mid range.

Brilliant Sound. Stunning Design.

The iconic transparent dome of the Aura Studio 4 radiates a captivating diamond pattern that glows in all directions. Match one of its 5 distinct animated themes to the beat of your music. The lush visual atmosphere is as enticing as the speaker's powerful bass tones and clear, spacious audio.

Urbanista's
Top Pick

Bose QuietComfort Ultra Headphones

"What really impressed us about the Bose QuietComfort Ultra Headphones is the enhanced fitting. They are incredibly comfortable to wear for long periods, and the noise cancellation is top-notch. Spatial Audio makes it feel like we're right in the middle of the action, whether we're listening to music, watching movies, or playing games."

- Urban Republic @ Gurney Plaza Shopping Mall, Penang.
