Answer:

Azmi is a Penang-based caricature artist popularly known for his unique portrait caricature sketches and coffee painting. A self-taught artist, he was a technician, and then an auxiliary police officer before quitting his job to become a full-time caricature artist. He now has five comic books published under his name as well as countless awards, one of them being a Malaysian Book of Records Award for the longest comic strip.

More about Azmi

## INBook X1 Series

Impossibly Thin. **Unbelievably Powerful**

The INBook X1 has a sandblasted anodized body made out of aluminum. It weighs just 3 lbs (1.48 kg) and is 16.3 mm thick. The 14-inch FHD display of the laptop is on a 180-degree hinge that allows it to lay flat for presentations in person.
